ANNOUNCEMENT PURSUANT TO RULE 704(5) OF THE SGX-ST LISTING MANUAL

The Board of Directors of Oceanus Group Limited (the "Company") wishes to announce that the Company's Independent Auditors, Foo Kon Tan LLP ("Independent Auditors"), have issued a qualified opinion in the Independent Auditor's Report on the consolidated financial statements of the Company and its subsidiaries for the financial year ended 31 December 2015.

Relevant sections of the Independent Auditor's Report are reproduced below:

Independent auditor's report to the members of Oceanus Group Limited

Report on the financial statements

We were engaged to audit the accompanying financial statements of Oceanus Group Limited (the "Company") and its subsidiaries (the "Group"), which comprise the statements of financial position of the Group and the Company as at 31 December 2015, the consolidated income statement, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act, Cap. 50 (the "Act") and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with Singapore Standards on Auditing. Because of the matters described in the Basis for Disclaimer of Opinion paragraphs, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for disclaimer of opinion

(1) Going concern

As discussed in Note 2(a) to the financial statements, as at 31 December 2015, the Group's and the Company had net current liabilities of RMB557,417,000 and RMB489,803,000, and had a deficit in shareholders' funds of RMB397,763,000 and RMB358,330,000 respectively. The Group incurred a loss after tax of RMB97,240,000 and a total comprehensive loss of RMB116,626,000, and had a negative net operating cash flows of RMB20,695,000 for the financial year ended 31 December 2015.

The matters set out above and in Note 2(a) to the financial statements indicate the existence of a material uncertainty which cast a significant doubt on the Group's and the Company's ability to continue as a going concern. The going concern assumption under which the financial statements are prepared is dependent on the successful conclusion of the debt restructuring exercise as disclosed in Note 34 to the financial statements, disposal of assets that are not related to its current operations and positive cash flow from its operations in future. The financial statements of the Group and the Company do not include any adjustments relating to the realisation and classification of asset amounts that may be necessary if the Group and the Company are unable to continue as a going concern. Should the going concern assumption be inappropriate, adjustments would have to be made to reflect the situation that assets may need to be realised other than in the amounts at which they are currently recorded in the consolidated statements of financial position. In addition, the Group and the Company may have to provide for further liabilities that may arise and to reclassify non-current assets and non-current liabilities as current assets and current liabilities respectively. No adjustments have been made in the financial statements of the Group and the Company in respect of these. The ability of the Group and the Company to continue as going concerns depends on the successful outcome of the matters set out above which cannot be determined at present. Therefore, we are not able to form an

opinion as to whether the going concern basis of presentation of the accompanying financial statements of the Group and the Company is appropriate.

(2) Biological assets

As at 31 December 2015, the carrying amount of the biological assets was RMB2,418,000.

Management did not conduct a physical count of the biological assets as at 31 December 2015 and had measured the carrying amount of the biological assets as at 31 December 2015 based on internal estimations using recent market prices for similar assets, which constitutes a departure from the generally accepted valuation methodology applied by the independent appraiser in valuation of the Group's biological assets in prior years. In prior years, the independent appraiser adopted a market approach in the valuation which considered the recent market prices for similar assets, with adjustments made to market prices to reflect the condition and utility of the appraised assets relative to the market comparative and mortality rate.

We were unable to satisfy ourselves by alternative means concerning the quantity of the biological assets held at 31 December 2015 and their carrying amount as at 31 December 2015.

(3) Recoverable amount of property, plant and equipment and prepaid leases and impairment losses

As described in Note 4 and Note 5 of the consolidated financial statements, the Group had carried out an impairment assessment over its property, plant and equipment and prepaid leases, and recognised an impairment charge of RMB44,335,000 and RMB1,492,000 respectively, being the excess of the carrying amount of the assets over their recoverable amounts. The recoverable amount was based on the cash-generating unit's fair value less costs to sell, as determined by an independent professional valuer based on the market approach and cost approach, which was higher than value-in-use. As at 31 December 2015, the carrying amount of the Group's buildings and farm structures constructed on land leased from third parties ("Collectively-owned Land") and the related prepaid leases amounted to RMB154,679,000 and RMB1,352,000, respectively. In assessing the fair value of these buildings and farm structures and the related prepaid leases, the valuer had made certain key assumptions as follows:

- a. the Collectively-owned Land is freely transferable to any third party in the open market;
- and
- b. consent for the land transfer will be granted by the individual owners of the land.

It was assumed that the relevant regulatory documents required for the land transfer had been obtained. As at 31 December 2015, no separate transfer agreements had been entered into with the individual owners of the land to transfer the ownership to the Group.

In the absence of legally binding contractual arrangements and the resultant uncertainty over transferability of Collectively-owned Land, we were unable to satisfy ourselves by alternative means concerning the impairment loss amounts for the year ended 31 December 2015, and the carrying amount of these assets as at 31 December 2015.

(4) Trade and other payables and supporting documents

As at 31 December 2015, trade and other payables included amounts of RMB8 million related to purchases of raw materials and consumable, capital expenditure and operating expenses brought forward from prior years.

We were not able to carry out auditing procedures on these trade and other payables as at 31 December 2015 because documentation supporting the transactions were not available.

We were unable to satisfy ourselves by alternative means concerning the validity, existence and accuracy of these trade and other payables of RMB8 million in aggregate at 31 December 2015.

(5) Convertible loans

As described in Note 14 to the financial statements, the Group refinanced Convertible Loan 2012 with Convertible Loan 2015 during the year ended 31 December 2015.

Management did not estimate the fair value of Convertible Loan 2015 to assess gain or loss on de-recognition of Convertible Loan 2012, fair value of warrants issued to holders of Convertible Loan 2015, and the allocation of the carrying amount of Convertible

Loan 2015 to the liability and equity components upon initial recognition. No interest had been accrued on Convertible Loan 2015 since inception.

We were unable to satisfy ourselves by alternative means concerning the classification of Convertible Loan 2015 into the liability and equity components and its carrying amount as at 31 December 2015, and the related interest expense based on effective interest rate for the year ended 31 December 2015.

(6) Loans

As described in Note 18 to the financial statements, warrants were issued to the financing shareholders and a third party lender during the year ended 31 December 2015. Management did not assess the allocation of the carrying amounts of loans from shareholders and a third party to the debt and equity components based on their relative fair values at inception. As at 31 December 2015, the carrying amounts of loans from shareholders and a third party were RMB1,811,000 and RMB42,199,000, respectively. Interest had been accrued on these loans based on notional interest rate, instead of effective interest rate.

We were unable to satisfy ourselves by alternative means concerning the classification of these loans into the liability and equity components and their carrying amount as at 31 December 2015, and the related interest expense based on effective interest rate for the year ended 31 December 2015.

Disclaimer of opinion

Because of the significance of the matters described in the basis for disclaimer of opinion section above, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Other Matter

The independent auditor's report dated 13 June 2016 on the financial statements for the financial year ended 31 December 2014 of which we were auditors expressed a disclaimer of audit opinion. The matters included in the auditor's report have a consequential material impact on the opening balances in the Basis for Disclaimer of Opinion paragraph stated above.
